Fall Clean Up

We pick up leaves, sticks and other natural debris. We also give your lawn a final mow to help avoid snow mold and winter kill. We can also provide shrub trimming and sidewalk edging at this time if we are notified in advance.

Billed at an hourly rate of \$100 plus tax per crew hour (2 people per crew).

Yard waste can be bagged and left on your property, or we can haul it on our truck to the compost (\$40.00 per cubic yard).

Since these services are hourly, we cannot provide estimates. You can, however, put a time limit on our work. We will work to that cap, and invoice accordingly. If you'd like to have additional work done, we will be happy to return schedule permitting. If no time limit is given, we will work until completion (or as time permits). As we charge by the hour, we can make no guarantee of completion.

Everyone likes to be last on the list. The reality is that we do not know when the first snow will come. Our scheduling is based on when we are in your neighborhood. If you don't want service at that time, we will try to get back later. Trip charges may apply for additional mileage.

All customers must pre-pay or have a valid credit card on file. Your credit card will be charged immediately following services, and a receipt will be e-mailed to you.

Optional price cap: \$_____ plus tax (\$100 minimum)

Choose an option:

Haul away: _____ (\$40+tax/cubic yard) Leave it in bags _____

Special Instructions: _____

I authorize Lawn & Snow Express Inc. to bill my credit card based on parameters listed above.
